**DETAILED ACTION**

***Allowable Subject Matter***

1. Claims 1-17 are allowed.

***REASONS FOR ALLOWANCE***

2. The following is an examiner's statement of reasons for allowance:

The prior art of record does not teach or suggest individually or in combination the following:

compensating for differences in clock pulse frequency between the reference clock pulse and each of the non-synchronous digital data channels using a delay-locked loop circuit.

For these reasons claims 1 and 8 are deemed to be allowable over the prior art of record, and claims 2-7 and 9-17 are allowable by dependency.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
